ROUND 3 QUESTIONNAIRE

EMPLOYMENT

YEMP-300

We would like to talk to you about any work you have done in the time since [date of last interview/your 14th birthday], that is, since [date]. In answering these questions, please tell us about any paid employment you had, or any work you did for a family business (whether or not you were paid). While we discuss these jobs, I will be marking some information about these jobs on this calendar. I will start by marking the time period which I want to discuss with you.

(INTERVIEWER: DRAW A VERTICAL LINE THROUGH THE WHOLE CALENDAR IN THE CURRENT MONTH. ALSO DRAW A VERTICAL LINE THROUGH THE CALENDAR [date]. LABEL THIS AS [date of last interview/your 14th birthday].)

We are going to discuss two sorts of jobs with you. We'll call one type working as a freelancer or being self-employed: that is doing one or a few tasks for several people and not having a "boss" (for example, babysitting or mowing lawns) or working for yourself (for example, running a business).

We'll refer to the second type as working as an employee: that is you had an on-going relationship with a particular employer (for example, working in a supermarket or restaurant, or being in the military). FIRST we will be asking ONLY about jobs on which you were working as an employee. Later we will ask about jobs on which you were working as a freelancer.
